

Printable iPhone/iPad holder template in L^AT_EX (incl. other mobiles and tablets)

Manuel Parra Royón

June 22, 2015

Instructions

1. Cut out the figure.
2. Take paper or something like cardboard and fold it in half.
3. Place the cut out figure on the cardboard with the longest side against the fold, then trace the figure.
4. Cut out the figure traced on the cardboard, leaving the fold uncut.
5. That's it!.

Dashed lines are optional cuts
